There will be an abundance of grad information shared over the course of the school year. *It is your responsibility to stay informed.* All grad info can be found under Grad 2027 on the St. John's College website. Please check in on a regular basis and please share with your parents so they too can be informed. In addition to this,, grad information may be shared over morning announcements, the SJC Instagram account '**sjcgradinformation2027'**, phone or email Synervoices, the SJC student calendar or by checking in with your Guidance Counsellor.

**Only students who have earned a diploma by June 25, 2027 will be allowed to participate in the graduation ceremony. If you wish to participate you must have completed the required 30 credits (including 18 compulsory credits), the 40 hours of community service, the Ontario Secondary School Literacy Test and the Online Grad Requirement (two e-learning courses). Participating graduates must also have submitted their grad application form & fee through School Cash Online by the October 31st deadline.**

**GRADUATION PHOTOS:**
Grads are responsible for booking their own grad photos. In order to be eligible to sit for your grad photo you must be on track to graduate for June 2027, complete the online grad application and pay the appropriate grad fee. **Students are expected to only book a photo time after they have paid their grad fee & submitted their grad application.** If you want to be in the composite and the yearbook, you must have your picture taken at this time. For consistency, only pictures taken by our photographer will be included in the composite.

The process for potential graduates to book their grad photo through *Pegasus* will be shared a few days after the Leaving the Nest assembly (Sept. 23). ***It is important that students know their OEN# at the time of booking. OEN numbers are found on any of their report cards or status sheet.*** Students are asked to **NOT** book multiple appointments. If a change must be made then students must go to their original booking confirmation email where they will find a link to change their appointment.

You are not obligated to order any of these pictures. Photo retakes and missed appointments will have to be arranged by the student through Pegasus' online booking system. The graduation photos will be taken at St. John's College at the back of Student Services between: **JANUARY 5-19, 2027. More details will be shared throughout the school year.** **Note: when booking, Pegasus only opens up a few days at a time.*
