Grad Synervoice #1 (Sept. 25/26)

Good evening parents & potential graduates. My name is Mrs. Ronson and I am the St. John's College Grad Coordinator.

It is my goal to ensure that parents and potential graduates are equally informed. There are several ways you and your potential graduate can stay on top of all the grad information that will be released between now and the end of June.

1. Follow the 'sjcgradinformation2027' Instagram account. This is a quick and easy way to stay on top of grad info. Many of our potential graduates have already started following (and to date 6 posts have been shared) and parents are also encouraged to follow us!

2. The SJC website was under construction over the summer and we are still putting on the finishing touches. Once the grad information has been updated to our website I will send home another message so you and your potential grad can review the grad information!

3. Listen to and read all phone & email Synervoice messages that will be sent home. To ensure you receive these messages make sure the office has your current contact information. *Please note that if your potential graduate turns 18 before the grad date in June and they DO NOT sign the 18+ form then you will NOT receive any information sent out by the school. Once the student turns 18 all information goes directly to them. In order to continue to receive information after they turn 18, they must obtain an 18+ form from the attendance secretary, sign it and return it to Ms. Mota (attendance secretary). They can complete this form the day they turn 18 or thereafter. **FYI: Grad Synervoices will eventually be posted to the the SJC website as well.**

4. Read Grad Newsletters – these will be posted to SJC website as well.

5. Check the SJC Student calendar for important grad dates.

6. Remind students to listen to morning announcements.

7. Finally, check in with their guidance counsellor.

Other Grad Tidbits to Note:

1. This past Wednesday all grade 12 students attended the 'Leaving the Nest' assembly with their period one class. The information shared at this assembly will eventually be available to review on our SJC website.

2. The Grad Application & Fee is now posted to School Cash Online. Please ensure this is completed and submitted by the deadline – Oct. 31, 2026. Once the fee is paid, students who have selected to have a grad photo done must follow the instructions from Pegasus to book their session. The instructional flyer from Pegasus is included with this email Synervoice, is posted in Student Services & on the Grad bulletin board and can be found on Grad Instagram account. Students will be able to book a session as soon as they pay. Deadline to book is November 30.

Thank you and have a great night!
